Coño!!! que guapa la página nueva de Cometa, menos mal que se han renovado.

Podían poner la culatas nuevas de nogal, ya de paso...

Gracias, no las encontraba.

Había oído hablar de ellas, pero no las había visto.

En principio tienen buen aspecto habrá que verlas en directo para hacer una valoración.

Les venía bien que fueran más pesadas que las de ¿haya? normales, más que nada para no tener que andar furando y metiendo plomo.
