

Sobre balines

Escrito por Tempox - 07/03/2010 00:46

¿vosotros le echais aceite a los balines?
Lo pregunto por que los baracuda vienen engrasaditos.

no, yo no uso aceite para los balines.

Pues e visto que lo hacen o incluso que los limpian con ultrasonidos.
Lo qu si tengo claro es que los Baracuda si estan engrasados.

Aceitados vienen todos , más o menos pero todos , la cosa es que luego con el tiempo se secan si no los usas , si ocurre eso unas gotitas de napier y listo . Yo recuperé unos que tenia de mi padre de hace muchos años y digo muchos solo con un par de gotas.

Este es el procedimiento más popular:

Es popular pasarlos por una lupa y una bascula??? Pues anda que no tiene chollo ni nada y aparte buscarle imperfecciones a cada uno , creo que no voy a llegar a lo más alto con mi forma , abrir lata insertar y disparar uno tras otro :laugh:

estoy de acuerdo, lo mas popular es abrir la lata y disparar, mariconadas las justas.
