Hola.

Quiero pavonar una vieja Gamo que fue mi primera escopeta.

En Vigo está talleres durocrom, en Travesía de ponte romana,14.

Tlf 986234249. Ahí lleve yo a pavonar la mía.

Queda entre balaidos y castrelos.

Yo la pavonaría con pavón en frío, pero no obstante cachoplomo acaba de pavonar la suya

A falta de ver como evoluciona esta, yo le dí pavón en frio a la mía y a una vieja gamo de un cuñado mio y caquita de la vaca, eso para piezas pequeñas y casi que diría que ni eso.

Este domingo no voy , pero el que viene podeis ver el resultado y si os gusta , pues ya sabeis donde.

precio?

Pues supongo que depende, yo como se la llevé ya pulida, fueron 20 euros en total. El tema es que primero lleve solo la palanca de carga , para ver que tal quedaba (5 euros) y luego llevé el resto (15 euros). Si la hubiese llevado todo al mismo tiempo seguramente fuese menos. Tener en cuenta que no es un armero, por lo cual hay que llevarsela despiezada.
